

Faculty Positions In Statistics

The Computer, Electrical, and Mathematical Sciences and Engineering Division at King Abdullah University of Science and Technology (KAUST) invites applications for faculty positions in Statistics at all levels (Assistant, Associate, and Full Professor) beginning in the Fall of 2014.

KAUST is an international, graduate research university dedicated to advancing science and technology through interdisciplinary research, education, and innovation. Located on the shores of the Red Sea in Saudi Arabia, KAUST offers superb research facilities, generous assured research funding, and internationally competitive salaries, attracting top international faculty, scientists, engineers, and students to conduct fundamental and goal-oriented research to address the world's pressing scientific and technological challenges related to the areas of food, water, energy, and the environment.

Statistics is within the Computer, Electrical, and Mathematical Sciences and Engineering Division, and part of the program on Applied Mathematics and Computational Science. We are interested in applicants with background primarily in computational statistics and modeling, spatial statistics, or analysis of large and complex datasets, though excellent candidates with other expertise in statistics related to sciences and engineering will be considered as well.

The successful candidate will have a doctoral degree in Statistics or equivalent, experience in interdisciplinary research, and a strong publication record commensurate with the level of the post he/she applies for. For senior positions, the evidence of track record in successful attracting external funding and independent research is essential.

Applicants should apply at the <http://cemse.kaust.edu.sa> employment site. Applications received by **December 31, 2013** will receive full consideration and positions will remain open until filled.
