World Statistics Day – October 20th, 2015

Statistics still enjoys widespread coverage in the media, and the Swiss Statistical Society (SSS, www.stat.ch) is proud of its contribution. To further strengthen its visibility, the SSS organizes an event to celebrate the 2nd *World Statistics Day*. This day was created by the Statistical Commission of the *Economic and Social Council* of the United Nations, and the overall theme this year is:

Better Data. Better Lives.

The event is free. Language is English.
